SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our school motto of "Putting Children First" continues to drive the decision making process at Holy Hill Elementary School. As a growing community of learners we strive to improve classroom instruction and student performance, to increase parental involvement, and to improve home/school/community relationships.

Instruction is our primary focus. The faculty and staff actively participate in quality professional development activities which focus on employing effective research based instructional strategies. Exposure to academic and cultural experiences outside of school is limited due to our rural location. Therefore, every effort is made to ensure student participation in a variety of activities during and after school hours, both on and off campus.

Parents are provided many opportunities to contribute ideas and participate in school functions. Their participation in our self study helped us earn an operational status. The Southern Association of Colleges and Schools (SACS-SASI) Quality Assurance Review Team recommended HHE for reaccreditation. Parents and community members continue to assist in the developing and revising of our plans for school improvement and student success.

During the 08-09 school year, approximately 49% of our students were recognized for academic achievement at award programs. Twenty-one fifth grade students were inducted into the National Junior Beta Club. Several students received Terrific Kids Awards from the Kiwanis Club of Santee. Four class projects earned honors in the District Science Fair. Four fifth grade students, two winning awards, participated in the Regional Science Fair. One fifth grade girl sang with the SC Elementary Honors Choir. Another fifth grade girl was recognized by Orangeburg County for her outstanding character. Two girls will attend the Orangeburg-Calhoun Consortium for the Arts summer program. Two students, from 1st and 4th grade, earned top honors in the District Accelerated Reader Program. Our students also participated in many altruistic activities, with the fifth grade students involved in service learning projects.

We are committed to our mission, and are confident that our students will rise to meet our high expectations as they continue their quest to take their place in our ever-changing society.
